# Plans for the Weekend

## Dempsey Hill x Urban Sketchers Singapore

In collaboration with Urban Sketchers Singapore (USkSG), Dempsey Hill organised a sketchwalk on 15 April 2023 at Dempsey Hill and Loewen by Dempsey Hill. USkSG is a local community of artists passionate about showing Singapore through on-location sketching — a visual form of storytelling and reporting. The one-day only event saw 50 talented artists and enthusiasts sketching their interpretation of Dempsey Hill, much to the awe and wonder of visitors.

## Guided Heritage Trail Tour

The last Heritage Trail tour concluded on 18 March 2023, where visitors had the opportunity to discover the fascinating and longstanding history of Dempsey Hill.

From generation of Singaporean men, Dempsey Hill was the mark of a necessary journey into adulthood. Alongside the many colourful tales of a much-storied past, these stories lie hidden in what is now a quaint and charming lifestyle destination.

Join our upcoming tours to explore a Dempsey Hill that you've never seen before. Brought to you by Country City Investment Pte Ltd and Jerome Lim, co-author of Secret Singapore.
